

Safeguarding Policy for young people

What is this?

This is a young person's guide to the Club's main safeguarding policy.

We will:

- Respect you and help protect your right to be safe and to feel safe.
- Do our best to make sure that you remain safe, at home as well as at the club, by listening to you and one another.

What is it for?

It is very important for you to know where to get help if you are worried or unhappy about something.

This Guide will help you decide what could be a 'problem' and where to get help and support.

Golf should be fun!

You should feel safe and enjoy your
sport

Worried about something? Don't keep it
a secret! There is someone you can turn
to!

What are the next steps?

If you think you may have a problem that is similar to one of these, talk to your coach, a member of staff or the Club Welfare Officer.

Sometimes a member of staff will need to check things with the Club Welfare Officer. If they can then deal with the issue themselves, they will.

There are times though when they may need to contact some other agencies for support. These may be Children's Social Care (Social Workers) or Police.

There are lots of other agencies who support children and their families as well.

The Club Welfare Officer is always here to answer any questions.
